```

Run Fink with Apple's X11: http://fink.sourceforge.net/news/index.php :: http://fink.sf.net/ :: Current version: 0.5.0a (fo
00:20 rand-irc if i end up hosting the fink site i'll set it up for that as well :)
00:20 -!- wasabi ~wasabi@12-239-86-41.client.attbi.com has joined #fink
00:22 rand-irc heh
00:22 rand-irc when running apples X11, the second time you minimize a window to the dock it's invisable, yet there is
the space where it is
00:22 * RangerRick is gone: bedtime
00:22 -!- You're now known as RangerAway
00:22 rand-irc night dude
00:22 RangerAway 'night
00:22 RangerAway =)
00:22 rand-irc damn, it;'s after 12 again
00:22 rand-irc sigh
00:22 RangerAway yeah, I just noticed :P
00:23 RangerAway ttyl
00:23 rand-irc 6.5 hours sleep agian for me
00:23 rand-irc later
00:23 rand-irc and night
00:23 MrZippy thanks all for your help on the fink install
00:23 rand-irc as well
